

The Americans

AMERICAN 1

Excuse me, Officer. What's going on?

BOBBY

History, Sir.

AMERICAN 2

Ask him where we can get a fuckin drink.

AMERICAN 1

I wonder, Officer...?

BOBBY

The vulgarity suffices. Follow me!

...

AMERICAN 2

He's like Lance Armstrong on that thing!
I can't breathe.

AMERICAN 1

It says Teahouse.

AMERICAN 2

A code. Everything's a code.

AMERICAN 1

What if it isn't?

AMERICAN 2

Then we'll be good sports about it!
Besides, rather drink any shit
than undergo HISTORY.

AMERICAN 1

We're screwed!

AMERICAN 2

I'm betting the proprietor can be coaxed to
add a potion to our Earl Grey.

AMERICAN 1

Never quit, do you?

AMERICAN 2
Like History.
